

ALEKSANDAR ĐUKIĆ

ENGINEER OF INFORMATION
TECHNOLOGIES AND SYSTEMS

Phone	Email	Address
066 517 9109	aleksandardjukic1999@gmail.com	Novi Sad, Serbia

PROFILE

As a high school student, I felt a great interest in computer technology. Curiosity led me to research how computers work. After a few years, I gained advanced knowledge of computer hardware and basic knowledge of web development. I am a highly motivated programmer with a desire to improve my skills. I graduated from the higher education school of professional studies, I am now looking for a way to get the first job.

EXPERIENCE

Bee IT PHP/Drupal internship

11.10.2021-1.11.2021
